

Santiam Elementary Playground Canyon Living Mural Fundraiser

This last year our school district has undergone major changes. We have seen the Gates Elementary School close and the combining of the middle and high school. This last summer the community came together to move the schools and to get some of the playground up and running. The school year is almost over and there are still improvements that we would like to complete on the Santiam Elementary school playground. We hope you can help!

The PTO and Hearts to Arts has come together to bring art into the school in an attempt to raise money for the playground. Here is what we have done:

- In February the children drew illustrations on why they *“loved living in the canyon.”*
- On March 6th, the entries were judged and winners selected.
- March 6th we started our fundraising efforts which will extend through May 25th.
- When you donate money you are supporting the development of the mural and supporting playground improvements for future Santiam Elementary School students.
- We anticipate unveiling the new mural will be at the Canyon Art Festival May 25, 2013 along with all the children’s artwork.

Please return this portion along with your check made out to Santiam Elementary school, with “Playground” in the memo line. A receipt for your donation will be mailed to you this spring.

Thank you so much for your donation!

I, _____ donated _____ to the Santiam Elementary Playground Mural Project.
