

Tiger Tales

Tiger Tales is a paperless information tool that is intended to help the communication between and among staff. If you have items you'd like to appear in the minutes please send them to Brian by the end of the day on Thursdays.

NOVEMBER 5, 2012

Kudos' To:

Thanks To: Amanda for a wonderful YST conference on Thursday, she put together a great agenda for the region.

Thanks to: Connie for her leadership of the SEA, the extra hours over the past three months are very much appreciated by all.

New This Week:

Staff Meeting: We have a staff meeting next Tuesday. Leadership Team will meet today to organize the agenda. If you have something to discuss please send it my way.

Reward Trips/Games Day: We are closing in on our reward trips/game day activities. Could you please give me a count by the end of the day as to who might not be getting to have some fun. We need to start planning some food and busing needs for the upper grades and space needs for the primaries.

Tiger of the Month: I am closing in on T-Shirts and hope they will be here on Thursday. If you have not sent your award to Sandra please do so ASAP. Also if you would like to announce any *Self-Managers* please let me know. I have a meeting in Portland that afternoon and will ask one of our Leadership Team members to be the master of ceremonies.

Discipline in Brian's Absence: When I am gone please rely on Amanda when dealing with major discipline issues. If it is serious and requires a suspension I must be contacted on my cell (**503-859-9382**) and walked through the situation before parent contact is made. As a reminder, teachers in Oregon cannot suspend a child from school, it must be an administrator and we must be careful to assure due process procedures have been followed. We are lucky Amanda has an administrative credential, let's just hope we do not need to use it for discipline situations.

Recess Equipment Bin: I keep moving them down by the AED device and someone keeps putting them back in the breezeway. The recess equipment bins are to stay near the side entrance (to the left of the water vending machine) and not in the entrance breezeway. Please be sure we do not take out a lot of equipment on rainy days. Section off ½ of the covered play area and keep the balls to a minimum. Be sure to remind the users not to travel all over the play area and to be safe.

Parent Teacher Organization Meeting: The next meeting is tonight and starts at 6:30 p.m. in our common area.

Picture Make-up Day: picture make ups are November 15th.

Brian "On the Road:"

November 8 Small Sch. Exec. Board. @ Portland 2:30 a.m. to 5:30 p.m.

Reminders:

Staff Room Clean-up: Please note the individuals who are to clean up the staff room on the morning announcements and the Tiger Tales. Just a straightening is all we need. Hopefully people are washing their own dishes and placing them to dry so putting away is easy. Rinse out the coffee and hot water pots so they are ready for the early bird the next morning to make the coffee. Our mom's do not work here, but they showed how to get along with others ;)

PE Ball Room: This has the potential to turn into a large mess quite easily. Please take great care in selecting and returning your PE equipment. This looks like a work party to get sorted out

Playground: Please focus on three critical elements, safety, respect and responsibility. Students should be asked to stay within the boundaries of the tree line and out of the dirt that will cause problems with our carpets. This is going to be a challenge but we have to work hard on setting some boundaries.

Phone Numbers: Please give me a call at my home phone: **503-897-6155**, if you are going to be late due to weather or need to get me information at odd times of the day. You can also use my cell phone at **503-859-9382** to catch me when I am away from home.

Week of Oct. November 5th - 9th

Front Area Duty 7:40 – 7:55		Staff Room Clean-up	Front Area / Bus Duty 3:00 – 3:15
